

## There's a solution for swine respiratory disease (ERP)

Flavonoid Botanical Complex  
Polysaccharides, Alcamides and Essential Oils

 **gryslie**  
swine phytotechnology

## What is **gryslie respiratory**?

It's a powerful botanical complex to treat Swine Respiratory Disease (ERP) with upper and lower respiratory tract problems, in fattening pigs, based on: Flavonoids and Essential Oils. It was developed with the most advanced phyto-technology.

## For what **gryslie respiratory**?

Animals affected by this disease usually have respiratory signs, similar to cold (mucus, viscosity), lung lesions and/or weakening states, which reduce their performance and increase mortality, which leads to great economic losses for the producer.

Indicated to treat the main bacterial pathogens associated with ERP (actinobacillus pleuropneumoniae, pasteurella multocida, haemophilus parasuis, streptococcus suis, mycoplasma spp.) And respiratory tract diseases (bronchopneumonia, bronchitis, rhinitis, pneumonia, tracheobronchitis, pasteurellosis).

## Why **gryslie respiratory**?

Its exclusive formulation based on plant extracts, essential amino acids, minerals and vitamins, quickly relieves symptoms and injuries, achieving a rapid and effective recovery of the treated animal. Bronchopulmonary and mucolytic expectorant. Antihistamine, anti-inflammatory, analgesic, and broad-spectrum antibiotic.

# **gryslie respiratory**

the leading brand in swine phytotechnology

With **gryslie respiratory**  
They breathe vitality!

#GryslieWorks

Proven effectiveness - Visible results:

- Fast and effective relief of symptoms associated with infectious and allergic diseases, in upper and inner respiratory tract
- Strengthens the respiratory system, repairing and protecting the alveoli and lung tissues
- Aid in the lubrication and deflation of the pleura, collaborating in its repair
- Accelerates mucus removal
- Corrects chronic and unresolved pneumonic processes.
- Reduces the risk of infection and mortality
- Dietary supplement
- No doping effect

Application:

Additive to reinforce nutritional supplements

- 100% natural
- Clinically proven
- Quality guarantee
- Paraben free
- Cruelty Free
- Kosher Certification
- Halal Certification

Made in Argentina

 **gryslie**  
swine phytotechnology

The most effective natural solution to boost  
swine cattle
