

BOTANICAL COMPLEX FOR VETERINARY USE IN CAMELIDS

A natural solution for Exercise Induced Pulmonary Hemorrhage (EIPH)

100% natural product based on Flavonoid Heterosides, Betasitosterols, Phenolic Glycosides & Sequiterpene Lactones

The natural alternative to enhance health and vitality in camelids

What is **strong camel® anti-bleeding**?

Powerful high-performance botanical anti-pulmonary bleeding complex for camelids based on Flavonoid Heterosides, Betasitosterols, Phenolic Glycosides, Sesquiterpene Lactones, and developed with the most advanced phytotechnology.

To what **strong camel® anti-bleeding**?

Indicated to enhance performance and vitality in career, work and/or production camelids, by stopping and preventing Exercise-Induced Pulmonary Hemorrhage (EIPH) in a completely NATURAL way. Bleeding frequently occurs during intense exercise due to pulmonary capillary fragility or the combined use of diuretics and stimulants, which harm the animal's health and have long-term harmful effects.

Why **strong camel® anti-bleeding**?

Its exclusive formula combines plant active ingredients, with high concentrations of essential amino acids, minerals and vitamins, which strengthen and protect blood vessels and capillaries, improving peripheral and central circulation, reducing fatigue and psychophysical exhaustion of the animal.

DEVELOPED BY **BASEL- PHYTOTHERAPEUTIC MEDICINAL LABORATORY**. ALL OUR PRODUCTS ARE MADE WITH CERTIFIED RAW MATERIALS, FREE OF PESTICIDES AND UNDER STRICT HYGIENIC-SANITARY CONDITIONS, ENSURING QUALITY AND EXCELLENCE.

PROVEN EFFICACY – VISIBLE RESULTS

- Stops lung bleeding and prevents future episodes.
- Strengthens and repairs the walls of capillaries and arteries, increasing lung capacity.
- Helps normalize blood pressure without causing an increase in diuresis, avoiding decreased performance due to fluid loss.
- Corrects chronic and unresolved pneumonic processes.
- Dietary supplement without doping effects.
- 100% natural and vegetable – Quality guarantee
- Kosher and Halal certified

strong camel® anti-bleeding

The natural and comprehensive solution against Exercise Induced Pulmonary Hemorrhage (EIPH) in high performance camelids.

Application: Nutritional supplement to complete the diet of production animals and/or subjected to intense physical effort (race camels, alpacas, vicuñas, llamas and guanacos).

Presentation: 5, 10, 20 liter drums and 200 liter drums.
