

BOTANICAL COMPLEX FOR VETERINARY USE IN PETS

A natural solution for comprehensive internal parasite protection in cats

100% natural product formulated with Pumpkin Seed Extract, Thyme Extract, and Clove Extract.

**A 100% natural line to improve
quality of life of your pet.**

What is **Pet Basel® Antiparasitic**?

It is an innovative natural dewormer designed to eliminate and prevent intestinal parasites in cats. Its exclusive formulation combines carefully selected botanical extracts, developed with the most advanced phytotechnology. Contains:

- **Pumpkin Seed Extract** (*Cucurbita pepo*): Rich in cucurbitacin, a bioactive compound with anthelmintic properties that weakens and expels intestinal parasites such as tapeworms and roundworms. It supports the natural elimination of parasites through the digestive tract without causing adverse effects on the cat's health.
- **Thyme Extract** (*Thymus vulgaris*): Contains thymol and carvacrol, two compounds with proven anthelmintic properties. It contributes to the elimination of intestinal parasites, inhibits bacterial and fungal growth in the digestive tract, and supports intestinal balance and digestive health.
- **Clove Extract** (*Syzygium aromaticum*): Rich in eugenol, known for its vermifuge and antimicrobial effects. It helps reduce intestinal parasite load, alleviate digestive discomfort, and support optimal digestive function. Additionally, it strengthens the immune system.

The synergistic action of these natural ingredients makes **Pet Basel® Antiparasitic** an effective solution for combating and preventing internal parasites while promoting your cat's well-being and vitality.

To what **Pet Basel® Antiparasitic**?

Indicated for the elimination and prevention of intestinal parasites in cats of all ages and breeds. Its natural action combats tapeworms, roundworms, and other helminths, promoting intestinal well-being and supporting nutrient absorption. Additionally, it strengthens the immune system and helps maintain a healthy digestive balance, providing long-lasting protection.

Why **Pet Basel® Antiparasitic**?

Its natural formula offers a safe alternative to chemical dewormers, helping prevent parasite recurrence and promoting overall feline health.

*Pure health and
natural vitality!*

PROVEN EFFICACY – VISIBLE RESULTS

- **Effectively eliminates intestinal parasites and promotes overall well-being:** The combined action of pumpkin seed extract, thyme extract, and clove extract combats ascarids, tapeworms, roundworms, and other common feline helminths.
- **Promotes a healthy intestinal environment:** Its blend of natural ingredients supports digestive health and helps maintain optimal intestinal balance.
- **Strengthens the immune system and helps prevent diseases:** Its antimicrobial and antiparasitic action helps reduce the risk of secondary infections.
- **Dietary supplement** – No doping effects
- **100% natural and plant-based**– Quality guarantee.
- **Kosher and Halal certification.**
